Far Away	3:55 pm	station C	9:30pm	Dealyed
etc....				

Upcomming commutes

Destinatio	departure ti	departure locat	arrivale ti	status	Edit./Delete
downtown	11:55am	station B	12:35pm	ON TIM	EDIT/DELT
Far Away	3:55 pm	station C	9:30pm	Dealye	EDIT/DELE
etc....					

Past Commutes

Destination	departure time	departure location	arrival time	delete
downtown	11:55am	station B	12:35pm	DELETE
Far Away	3:55 pm	station C	9:30pm	DELETE
etc....				

Add a new commute

A comment
Can only edit upcoming commutes, cannot delete current commutes until those commutes have completed their progress.

status in MySql db based on present time compared to departure and arrival times

Removes item from travel history (deletes from database)
